FORGOTTEN
CHILDREN

Where we remember everyone is someone's child

November 11, 2016

Dear Friends:

My name is Cheryl Correllus, the Volunteer Executive Director at Friends of Forgotten Children. Many of you I know and others of you I recognize your name.

As I write this letter, there is a chill in the air, the leaves on the trees have changed color, and I'm immediately reminded that the holidays will soon be upon us!

With Thanksgiving and Christmas just around the corner, I think back to the last holiday season and what a tremendous success it was--over 400 children had a happy Christmas thanks to the generosity of donors like you. We also provided Thanksgiving baskets that included: turkey, stuffing, vegetables, and all the fixings to over 200 families.

Friends of Forgotten Children is a diverse group of individuals. Regardless of our differences, we all unite for one common cause—to provide food and clothing for those in need and to give children the Merry Christmas they deserve.

I would be very grateful if you would consider supporting us again this year either with your time or financially. Friends of Forgotten Children is run solely by volunteers and 100% of the money that is donated is used to purchase gifts for Christmas, food, or other essentials.

As volunteers, we give countless hours. We do so because we truly love it. When we have someone who is destitute and in dire need of help or when our clients stop to thank us for giving them food or other assistance, it makes it all worth it.

May you have a safe and joyous holiday season.

With Sincere Thanks,
