

FRIENDS of
FORGOTTEN
CHILDREN
Where we remember everyone is someone's child

March 16, 2020

To our Clients and Volunteers:

First and foremost, the health and well-being of our volunteers and clients are our primary concern at this time with the pandemic caused by COVID-19 virus (Coronavirus). All efforts will be made to keep people safe and, at the same time, effectively service our clients.

Overall, we will be limiting access to the building to STAFF and VOLUNTEERS ONLY. This means that we are suspending the Community Meals program and closing the Clothing Closet until further notice.

For everybody's safety, we will operate a curbside pickup to deliver food pantry services. We ask that all clients be patient as the staff and volunteers work through the new procedures and we apologize for any inconvenience this may cause. Please remember that Friends of Forgotten Children is 100% volunteer-run and we are undoubtedly under the same stresses that you, our clients, are under at this time.

Sincerely,

Tom Rochette, President
Friends of Forgotten Children
